In your hand you hold a book filled with memories of the school year past. The pictures and words on these few pages are made meaningful by the significance of life. Looking back, we can recapture the magic of a moment past, a refreshing laugh, a thoughtful moment, silly times and sad times, fun and dark depressions, sunshine and high spirits... all these and more... such memories are precious to each of us.

Now we must evaluate ourselves and our lives and look to the years ahead.

The Tiger Staff of 1975 hopes that the signs of this year will be remembered as YOU face the future.

Mr. Longley
 You are the best
 teacher I ever had. I still don't
 see how you could have put
 up with how I could have put
 you as my typing teacher. Keep the
 good work up. (Your best student)

Mrs. Longley
 I hope you have
 a good time
 with your
 class. I'm
 sure you will
 be a great
 success.

Mrs. Longley,
 I'm not very bright
 but at least I put out an effort
 when it comes to typing because I
 like you and you're a very good
 teacher. Stay the way you are and
 anyone you meet will (Typing II)
 remember you.

Mr. Longley,
 you are a really
 nice teacher.
 I hope you have
 many more happy
 years at Revere. I'm
 looking forward to be-
 ing in your foundations
 next year.

Mrs. Longley,
 It's nice having
 you as a business teacher.
 I hope Revere will
 be a success to you
 throughout the years
 to come.

It has been nice
 having you for a teacher.
 I hope you will
 be a great success
 in the future.

Mrs. Longley,
You're a very
nice teacher and
friend. Although
we only know
you for a few
months, it seems
like forever. Hope
to remain your
friend forever.

Mrs. Longley,
It has been really
nice knowing you and
being in your classes
this year. With teachers
like you, it makes the school
days better. I will remember
you when I'm trying to
do my bookkeeping in the
future.

I have learned a lot in typing.
I thought I couldn't do it, but
I was wrong. Thanks for
the teaching. I shall
use what I know in
future.
